

GNC Preventive Nutrition® products have been scientifically developed utilizing the expertise of the GNC Medical Advisory Board. Each premium formula is designed to be used in conjunction with your physician recommended healthcare regimen. This line of products is precisely formulated to provide clinical strength ingredients and additional nutrients that address key health concerns.

*DEVELOPED WITH AND ENDORSED BY

ADVANCED KNOWLEDGE FOR BETTER HEALTH

The GNC Medical Advisory Board utilizes their in-depth medical knowledge and experience to aid in the creation and ongoing development of GNC products, helping GNC stay on the forefront of product innovation and delivering on our commitment to helping you LIVE WELL.

OUR QUALITY COMMITMENT TO YOU Since 1935, our mission as the industry leader has been to provide you with the highest-quality nutritional supplements. We continue to stand behind this mission. If you're not 100% satisfied with your purchase, return the unused portion of the product with your receipt within 30 days and we'll either refund your money or find you a replacement product that is right for you.

PREVENTIVE NUTRITION® LIVER HEALTH FORMULA

Contains potent, clinically studied ingredients, additional key nutrients and a lifestyle guide to help maximize your liver health.*

LIVER SUPPORT

Provides a specialized blend of ingredients known to help with lipid transport and metabolism, along with milk thistle known to have antioxidant properties and support healthy liver function.*

METABOLISM & NUTRIENT TRANSPORT

Contains B-complex vitamins, including choline and betaine, vitamins B-6 and B-12 and folic acid, which are required by the liver to help with nutrient transport and metabolism.*

ANTIOXIDANT SUPPORT

Contains powerful antioxidants to help minimize cellular damage.* Alpha-lipoic acid supports the regeneration of other antioxidants in the body, and CoQ-10 functions as an important antioxidant that the body is also able to recycle and reuse.* Glutathione is a potent antioxidant that supports the antioxidant activity of vitamin C and also supports normal immune system function.* N-acetyl-L-cysteine supports the availability of glutathione.* Selenium is an essential mineral which helps build antioxidant enzymes in the body.* Both vitamin C and a clinically studied form of turmeric are also added for additional support.*

GNC
