

PRO PERFORMANCE® RESULTS

GNC Pro Performance® Ultra Amino Complex supplies purified and ultra-concentrated essential amino acids, including branched chain amino acids (BCAA), to help support protein synthesis.^* This fast-absorbing formula fuels muscle recovery and growth by helping to reduce muscle protein breakdown.^*

PRO PERFORMANCE® QUALITY

GNC Pro Performance® Ultra Amino Complex is tested and certified Banned Substance Free.* It tastes great and mixes easily with a simple stir, shake or blend.

^When used in conjunction with an exercise program.

Products bearing this logo have been tested for banned substances by LGC Science, Inc., a world-class anti-doping lab. *Product was tested for over 145 banned substances on the 2017 World Anti-Doping Agency (WADA) Prohibited List via LGC skip lot testing protocol #ICP0307. See gnc.com for more information.
