TriFlex™

JOINT, BONE & MUSCLE

*Worried about maintaining your active lifestyle? Workouts wearing you down? TriFlex™ Joint, Bone & Muscle protects not just your joints but also the bones and muscles that support them, so you can keep moving.**

HEALTHY JOINTS – Features a blend of Chinese skullcap root extract and cutch tree bark extract that is clinically shown to provide a 30% improvement in flexibility and 19% improvement in joint function.*

Also has UC-II® and collagen peptides, collagens that are clinically studied to support joint health.*

STRONG BONES – Contains MBP®, a protein complex derived from milk that has been clinically shown to support bone density.*

LEAN MUSCLE – Includes 3 grams of leucine to support muscle protein synthesis plus 5 grams of protein for lean muscle support.*

See the lifestyle insert for more information. Also consider adding TriFlex™ or TriFlex™ Fast-Acting, which include glucosamine and chondroitin.
