On-The-Go Blender

In just seconds, make your smoothies or shakes and take them with you!

Stylish and compact, the On-The-Go Blender is designed to look great in any kitchen. The powerful 300-watt motor, ready indicator light, plus one-touch button control deliver premium performance. Use the extra-large 28oz cup to make and take your morning smoothie with you — just don't forget the leak-proof to-go lid. Made of premium stainless steel and shatter-resistant BPA-free plastic, you will get a quality blending system. All cups and lids are dishwasher safe — making cleanup a breeze!

Compatible with GNC Thermo Cups!
